

Recommended weight limits for VSI Safe Deposit Boxes

Here is a recommended weight limit by size, this does not mean that all bond boxes can handle max weight by the handles.

3"x 5"	25 lbs.	standard 42 nest 1050 lbs.
5"x 5"	40 lbs.	standard 24 nest 960 lbs.
3"x 10"	50 lbs.	standard 21 nest 1050 lbs.
5"x 10"	75 lbs.	standard 12 nest 900 lbs.
10"x 10"	90 lbs.	standard 6 nest 540 lbs.

Structure load capacity not known and no stack should exceed 3000 lbs.

Not recommending more 60 lbs. in bond boxes, any weight over 25 lbs. should require a minimum of 2 people to remove.

No weight over 15 lbs. should be over shoulder height
